Policy Statement

We aim to accommodate the sleep and rest needs of the children who attend SYLVANIA HEIGHTS BASC. As the children are in school age care many do not need to sleep or rest during the sessions they attend. We will take all reasonable steps to provide opportunities to meet each child's individual need for sleep, rest and relaxation. Their needs may vary because of illness, physical exertion, or lack of sleep.

Related Policies

- SYLVANIA HEIGHTS BASC Policy B-6: Indoor environment

- SYLVANIA HEIGHTS BASC Policy D-1: Dealing with medical conditions
- SYLVANIA HEIGHTS BASC Policy D-11: Management of incident, injury and trauma

Procedure

There should be a safe sleeping/rest area for children to use when they show signs of tiredness or request a rest.

An area away from the main group of children will be used when a child needs rest.

The area should be smoke free.

No child should have their face covered during rest or sleep.

Opportunities for rest and relaxation should be provided, especially during vacation care.

Educators are to check on sleeping/resting children at regular intervals.

A cushion and bedding will be provided to a child upon request.

SYLVANIA HEIGHTS BASC will ensure hygiene standards are maintained. For example, regular washing of cushion covers and bedding, especially if a child has been unwell.
