Welcome

The staff, families and children of Sylvania Heights Before and After School Care would like to welcome you to the service. We hope that you and your child find the time with us a happy and rewarding experience. We understand that new children to the service may find BASC a daunting place, and we open our doors to welcome you to bring your child to the Centre to allow them to become familiar with the staff and routines. If you would like to make an appointment for an orientation visit, please phone the Director on 9522 7595.

General Information

The Centre is a not-for-profit organisation operated by a number of qualified staff and a volunteer Parent Management Committee.

Located in the grounds of Sylvania Heights Public School, the service provides before and after school care for children who currently attend Sylvania Heights Public School. During Vacation Care we welcome children who attend other schools in the local area as well.

The aim of before and after school care is to provide a quality recreation program for children who require care at the beginning and end of the school day. It is our hope that we can work co-operatively with parents to ensure that the program meets the needs of both the children and their parents.

During the school holiday periods Sylvania Heights BASC provides a Vacation Care Program. The staff from Before and After School Care also operate the Vacation Care program, which is held at Sylvania Heights Public School in the BASC building.

Sylvania Heights BASC can accommodate up to 120 children during BASC sessions. These places are made up of both casual and permanent bookings and limits are strictly enforced.

During Vacation Care the service can accommodate up to 120 children per daily session except during certain excursion activities where places may be limited. Should you wish to know more about the Vacation Care Program please do not hesitate to visit our website (<http://www.sylvaniaheightsbasc.com.au/>).

Philosophy

At Sylvania Heights BASC we believe a quality environment for children is one which promotes a child's self-esteem and competencies and where staff feel comfortable and confident in their roles (*My Time Our Place, Learning Outcomes 1 & 3*).

Our staff members are dedicated to supporting children develop a positive self-esteem, and a positive attitude to learning and interacting with others (*My Time Our Place, Learning Outcomes 4 & 5*). We aim to reflect an inclusive approach to develop positive gender, racial, cultural, class and individual identities (*My Time Our Place, Learning Outcome 2*).

At Sylvania Heights Before and After School Care our Centre philosophy guides us to:

- provide high quality care for all children in a safe and healthy environment
- encourage open communication between families, staff, children and the community
- provide a balance of structured play and learning experiences as well as allowing children to play freely
- welcome all individuals and families, respecting all family structures and cultural backgrounds.

Sylvania Heights Before & After School Care Parent Management Committee

A voluntary group of parents operates the Management Committee of Sylvania Heights BASC. The Committee decides matters of policy, fees, staffing and all matters relating to the running of the Centre. This Committee meets each term and as required. The Sylvania Heights BASC Management Committee delegates the day to day responsibilities to the Centre Director.

Parents with any problems, suggestions or queries are encouraged to put these in writing, addressed to the Honorary Secretary of the Sylvania Heights BASC Management Committee and this correspondence will be presented at the next committee meeting.

If you would like to join the Management Committee or talk to one of the current members, please contact the Centre on 02 9522 7595 or send an email addressed to the Parent Management Committee to shbasc@tpg.com.au. Any parent with queries or suggestions should address these in writing where possible with the Centre's Director or Management Committee.

Service Administrators

A Service Administrator (Becklyn Pty Ltd) is employed to handle all financial administrative matters. The Administrators can be contacted during business hours on 02 9878 2651 or by email at info@becklyn.com.au.

Hours of Operation

The Centre is open from 7:00am to 9:25am and 3:25pm to 6:00pm during public school term times. Staff are in attendance at the Centre from approximately 7:00am until 9:30am during the morning sessions and between the hours of 2:30pm until 6:00pm in the afternoon. Before the school day finishes, staff spend time preparing afternoon tea, organising the craft, games and activities for the session and ensuring that the Centre is clean and safe.

During School Holidays the Centre runs a Vacation Care Program and is open between 7:00am and 6:00pm.

The Centre is closed on all NSW Public Holidays and usually for approximately 2 weeks over the Christmas / New Year time frame.

CCS & Absences

CCS will continue to be paid for up to 42 absences for all types of approved childcare, per child, per financial year. Absences are counted on a per day (or part day) basis i.e. where a child is away for one out of two sessions on a day, 1 absence will be recorded. Once these 42 days have been exceeded, families may be entitled to CCS payments for further additional absences in certain circumstances. - in the expandable absence section. In shared care arrangements, the allocation of 42 absences per financial year relates to the child, not each individual claimant. Any additional information may be found on this link below. <https://www.servicesaustralia.gov.au/individuals/services/centrelink/child-care-subsidy>

Staff

Our Educators are very valuable to us at Sylvania Heights BASC. They each bring an extensive and individualised history of working within the program and a great deal of practical experience with children. Our staff have a variety of qualifications from Degrees, to CPR & First Aid, Child Protection and Asthma and Anaphylaxis certifications. An extensive list is available via the Staff Profiles displayed at the Centre entrance.

Medication

In line with the Education and Care Services National Law and Regulations, we are only able to administer medication to your child if:

A Parent / Guardian or an authorized nominee with permission to consent to administration of medication has completed a "Permission to Administer Medication Form" including details of time and dosage.

The medication is in its original container and is prescribed for that child.

The medication is before its use-by or expiry date.

A second staff member witnesses the dosage and administration of the medication.

Non-prescription medication will only be given if accompanied by a Doctor's Certificate stating the dosage and the time to be administered.

In the case of an emergency, medication may be administered with the permission of a registered medical practitioner or medical emergency services should a parent be non-contactable. In the case of an asthma or anaphylaxis emergency, medication can be administered without any authorization. IF this was to occur, the child's parent and emergency services would be contacted as soon as possible following administration.

Asthma / Allergy / Anaphylaxis Action Plans or Medical Management Plans:

Parents (in conjunction with the Medical Practitioner) of any child with asthma, allergies or anaphylaxis are required to complete an ASCIA Asthma, Allergy or Anaphylaxis Action Plan prior to their enrolment being confirmed. This plan will advise the staff of the actions they should take should your child become unwell with an allergy, asthma or anaphylaxis. Parents of Children with specific healthcare needs may be required to submit further details, or a Medical Management Plan prior to their enrolment being finalised.

Breakfast and Afternoon Tea

Breakfast is provided for children attending Before School Care and is served each morning from 7:00am until 8:15am.

Afternoon tea is provided for all children attending After School Care. Families provide morning tea and lunch during Vacation Care, unless otherwise stated in the Vacation Care Program.

We aim to provide nutritious and varied breakfasts and afternoon teas for the children attending the Centre.

Information regarding menu selections is available for parents to access at the Centre. Consideration is given to children with special dietary needs and the afternoon tea provided is adjusted based on any special needs.

Frequently an afternoon activity will include cooking a range of healthy, multicultural foods. On special occasions such as birthdays, children will cook foods like cakes and biscuits. Children are able to consume these during the afternoon or take them home. Cooking is a favourite activity and is included in our weekly programming.

Daily Program

We aim to provide daily routines that meet the needs of individual children and to implement an open-ended program based on children's continuing interests. This allows opportunities for children to play, explore and develop new skills and theories and is appropriate to the developmental and leisure needs of the children. Children are encouraged to participate in this process by completing surveys and speaking with staff. Legislation for Out of School Hours Care

On 1 January 2012, the National Quality Framework (NQF) was established, applying to most long day care, family day care, preschool (or kindergarten) and outside schools hours care services in Australia; consisting of key requirements that will be phased in between 2012 and 2020, including staff qualifications, educator-to-child ratios and other key staffing arrangements.

National Quality Framework (NQF)

The National Quality Framework aims to raise quality and drive continuous improvement and consistency in education and care services through:

a national legislative framework

a National Quality Standard

a national quality rating and assessment process

a national body called the Australian Children's Education and Care Quality Authority.

National Quality Standard

The National Quality Standard sets a new national benchmark for the quality of education and care services. The National Quality Standard is divided into seven Quality Areas:

1. Educational program and practice
2. Children's health and safety
3. Physical environment
4. Staffing arrangements
5. Relationships with children
6. Collaborative partnerships with families and communities
7. Leadership and service management.

The National Quality Standard aims to promote:

The safety, health and wellbeing of children

A focus on achieving outcomes for children through high-quality educational programs

Families' understanding of what distinguishes a quality service.

National Quality Rating and Assessment Process

Approved Services will be assessed and rated against each of the seven Quality Areas of the National Quality Standard and the National Regulations. They will also be given an overall rating. The rating and assessment process aims to drive continuous quality improvement at services and provide families with better information for making choices about their children's education and care.

Assessments for existing services will commence from mid-2012. The National Quality Framework replaces the National Childcare Accreditation Council.
