Policy Statement

We aim to develop and implement daily routines to reflect a balanced program that is stimulating, interesting and exciting and maximises the children's learning, while allowing children opportunities to play, explore and develop new skills. We recognise that children require structure and organisation as well as time for play and leisure therefore these needs will be reflected in our daily routines.

Procedure

A daily routine will be developed and implemented by the staff and Management Team.

The routine will reflect the Centre's philosophy.

The routine will be structured around regular events of the day such as arrival, departure, school drop off and collection and afternoon tea. The routine will incorporate times for a mixture of structured and unstructured activities.

The routine will take into consideration all children's needs in relation to their emotional, social, physical, creative and developmental areas (as per Regulation 73)

Developing each child's own creative leisure skills will also be a consideration when planning the daily routine.

The routine will be part of a review process and adapted to meet the varying and changing needs of the children in relation to before school, after school and seasonal conditions.

The routine will be recorded and displayed where staff and parents and children can clearly see (as per Regulation 75).

The routine will be flexible to meet the needs of the children and allow for spontaneity and enjoyment in the Centre.
